1. Calculated by asset value.

2. Based on actual distribution of 5.70 cents per annum per unit and a current unit price of \$1.2646 as at 31 December 2025. Distributions for future quarters may vary.

3. Total interest bearing liabilities divided by total assets.

4. Performance data for the periods longer than one year have been annualised. Capital growth and income distributions are not guaranteed and are subject to the assumptions and risks contained in the PDS. Past performance is not a reliable indicator of future performance.

5. Benchmark is the Lonsec-select Australian Direct Property Funds Index (“Index”). The Index is an equally weighted performance benchmark comprising a basket of ‘open-ended’ Australian direct property funds available to ‘non-wholesale’ investors. Index constituents are chosen from the Lonsec Research fund universe and span the broad range of Australian direct property investment sub-sectors office, industrial, retail, healthcare and diversified.

DPT currently has a portfolio of nine direct commercial properties. The total portfolio is 100% occupied with a weighted average lease expiry of 3.94 years.
