

SKYRING

Skyring Fixed Income Fund Investment Overview

December 2025

Dear Valued Investors,

I am thrilled to write to you today as you embark on an exciting journey with your interest in the Skyring Fixed Income Fund. As the CEO of Skyring, it brings me great pleasure to introduce you to one aspect of our diverse portfolio, and one that aligns perfectly with our commitment to delivering unparalleled financial opportunities for our esteemed clients.

The Skyring Fixed Income Fund underscores our unwavering dedication to providing innovative investment solutions tailored to your evolving needs. We have meticulously crafted this Fund to offer a compelling mix of stability, reliability, and attractive returns in the ever-changing landscape of financial markets.

The primary goal of our Skyring Fixed Income Fund is to maximise returns while simultaneously managing risk effectively. To achieve this, our expert team of fund managers, lending committee and analysts will diligently assess and only invests in Skyring Capital Notes, not a range of investments. All carefully chosen to optimise the Fund's performance while minimising exposure to market fluctuations.

At Skyring, we pride ourselves on our comprehensive research, disciplined investment approach, and the strong relationships we have built over the years. These factors, coupled with our in-depth knowledge, will ensure that the Skyring Fixed Income Fund remains a robust investment vehicle, designed to withstand various economic conditions.

As we embark on this new venture together, we remain committed to transparency and open communication. Our investors' trust is paramount, and we pledge to keep you informed of the Fund's progress, performance, and any market insights that could impact your investment decisions.

I invite you to join us on this exciting journey with Skyring Fixed Income Fund. Together, we can navigate the complexities of the financial world and capitalise on lucrative opportunities while mitigating risks. Your trust and confidence in Skyring are at the core of everything we do, and we are committed to continuing our tradition of excellence.

Thank you for being a valued part of our Skyring family. Should you have any questions or require further information, please do not hesitate to contact our team. We look forward to forging a successful and rewarding partnership with you.

Sincerely,

David Mardell

Chief Executive Officer / Founder

Skyring

Future Growth with Skyring

Skyring Asset Management Limited
is a fixed income manager with a difference.

At Skyring, we believe strongly in working side by side with our investors and borrowers, helping both achieve the best results possible. As a boutique, unlisted company, we are directly accountable to you for results and returns.

The Skyring Fixed Income Fund was established to provide investors the opportunity to partner with an experienced, proven fixed income manager, and to participate in quality investment opportunities throughout Australia fulfilling an income solution for investor's portfolios.

By providing capital to borrowers, Skyring's clients generate long-term income streams for their portfolios that are backed by high quality, first mortgage's secured against investment-grade properties and businesses within Australia.

Skyring Asset Management Limited holds an Australian Financial Services Licence (422902), which allows us to operate ASIC-registered, Managed Investment Schemes (MIS) for investors. In addition to our high standards of personalised service, our Australian Financial Services Licence gives you peace of mind that your investments are being prudently managed by a professional organisation that maintains the highest standards of due diligence and reporting transparency.

Snapshot and Purpose of the Offer

The Investment strategy of the Fund is to issue Units to investors for the purpose of acquiring secured notes (Notes) issued by Skyring Capital Pty Ltd (Skyring Capital).

Skyring Capital has been established for the purpose of conducting a first mortgage lending business by providing loans for a wide range of purposes including property acquisition or development, construction funding and business finance across Australia to a wide range of suitable borrowers.

Responsible Entity/Issuer

Skyring Asset Management Limited (SKYRING)
AFSL 422902

Offer Opened

25 December 2025

Who Can Invest?

Individuals, Companies, Trusts and Self-Managed
Superannuation Funds (SMSF).

What returns can I expect as an Investor?

The Fund's indicative distribution rate is 6.55% p.a. (after fees). This income is derived from interest paid on the capital you invested. It is paid monthly in arrears.

Refer to **skyring.com.au** for updated rates and historical performance.

What we look for when Assessing Opportunities

Our Lending Committee completes a comprehensive due diligence research process on all potential loans and borrowers that are presented to Skyring Capital.

Skyring Capital is bound by its investment mandate and lending policy guidelines when assessing suitable loans for the Fund.

Preservation of our investors capital is the cornerstone of our lending policy. The loan assessment process includes, but not limited to; Independent valuations, geographic location assessment, Independent Quantity Surveyor reports, maximum Loan to Valuation Ratio positions along with the borrowers experience and an acceptable security position for Skyring's investors.
